VISIBILITY				
WATER APPEARANCE	CLEAR			

Brass made nozzle, this fountain nozzles mold the water shaping it as a Willow tree, raising in an outwards parabola, emulating the trunk, and later while falling down, remembering the branches of a willow wept.

Available in 4 sizes, 1" connection and 20 numbers of 4 mm jets, 1 1/4" connection and 20 numbers of 4 mm jets, 2 1/2" and 50 jets, and 3" and 59 water jets, enabling always the better selection for any pond dimension.
